

Private Clinics & Services - Fee Structure

Certain Services, including private sick certificates, insurance claim forms and private medical examinations (e.g. pre-employment, taxi driver, adoption, Insurance etc) are not covered by the NHS and are therefore chargeable. Our fees are in line with those recommended nationally and are on display below. A hard copy of our fee schedule is available from in reception. Please pay by cash or cheque; we do not accept credit or debit cards.

If you are booking a medical please tell the receptionist when booking so that a longer appointment can be allocated. Some medicals will need to be carried out by a GP other than your own.

Prices valid as of 8th November 2011. Please phone the surgery to confirm prices.
